About Us :

Vaishali Consultancy a Corporate Entity, is engaged in providing expert consultancy services in the field of Ferro Alloys, Aluminium Alloys, Master Alloys, Manpower Supply, New Product Development, Plant Setup, and Quality Improvement.

The company started its journey in 2016, working as an independent consultancy, and officially incorporated as a Private Limited Company in 2025. Over the last 16 years, Vaishali Consultancy has established itself as a trusted partner for industries in India and overseas.

The company is promoted and managed by visionary professionals:

Mr. Anand Dubey, Director – A Metallurgical Engineer (B.Tech in Metallurgy) with extensive technical expertise in ferro alloys, plant setup, new product development, and quality improvement. His leadership has guided numerous projects across India and international markets.

Mrs. Vaishali Pandey, Director – A Post Graduate professional with expertise in financial planning, customer management, and strategic business consultancy, ensuring sustainable growth and client satisfaction.

With strong leadership, innovative strategies, and in-depth knowledge, Vaishali Consultancy Pvt. Ltd. has successfully executed projects across India, Saudi Arabia, Gulf countries, Bhutan, and beyond.

The company has proudly associated with reputed clients like DS Alloys, Gulf Ferro Alloys Saudi Arabia, RG Metal, MLSK Metal, Dragon Ferro Alloys Bhutan, KK Steel Bhutan, and many others.

Our mission is simple – to deliver innovative, reliable, and result-oriented consultancy services that empower clients to achieve excellence and long-term growth.

Range of Services & Products

Vaishali Consultancy . offers a wide spectrum of consultancy solutions technical services, and industrial products

Ferro Alloys: Ferro Titanium, Ferro Silicon Magnesium, Ferro Silicon Zirconium, Ferro Silicon Strontium, Ferro Silicon Barium, Ferro Chrome, Ferro Molybdenum, Ferro Silico Manganese, Ferro Aluminium, Ferro Vanadium

Aluminium & Alloys: Aluminium Alloys, Aluminium Powder, Aluminium Ingot, Aluminium Notch Bar, Aluminium Cubes, Aluminium Shots

Master Alloys: Al-Ti, Al-Ti-Sr, Al-Ti-B, Custom Master Alloys as per client requirement

Industrial & Other Products: Fertilizer Products by Dolomite, Wall Putty Solutions

Consultancy & Services: New Product Development, Plant Setup & Commissioning, Manpower Supply (End-to-End), Quality Improvement & Maintenance

Consultancy & Technical Services: New Product Development, Plant Setup & Commissioning, Manpower Supply (End-to-End), Quality Improvement & Maintenance

Directors: Mr. Anand Dubey (B.Tech Metallurgy – Expert in Product Development, Plant Setup, Quality Improvement, International Projects) | Mrs. Vaishali Pandey (Post Graduate – Expert in Financial Planning, Customer Relations & Strategic Consultancy)

Vision: To be a global leader in consultancy services by delivering innovative, sustainable, and value-driven solutions in ferro alloys, aluminium, and industrial development

Our Clients: DS Alloys, Gulf Ferro Alloys (Saudi Arabia), RG Metal, MLSK Metal, Dragon Ferro Alloys (Bhutan), KK Steel (Bhutan), and many other reputed industries across India & overseas

Why Choose Us: 16+ Years of Experience | International Project Expertise | End-to-End Consultancy & Manpower Solutions | Strong Client Relationships | Commitment to Innovation, Quality & Growth

Product Consultancy Range

ALUMINIUM WIRE RODS

CORED WIRE

ALUMINIUM DEOX

- Production Capacity : 20,000 MTPA
- No of Furnaces : 32
- Products : Aluminium Shots, Aluminium Cubes, Aluminium Notch Bar

ALUMINIUM SHOTS

- Shape : Spherical and Oval
- Aluminium Content : 98 % Min
- Size : 5 mm to 65 mm

ALUMINIUM CUBES

- Shape : Pyramid Cubical / Cylindrical Cubical
- Weight Per Piece : 225 ± 25 Grams
- Aluminium Content : 98 % Min
- Size : 50 x 50 x 50 mm (± 10 mm)

ALUMINIUM NOTCH BARS

- Shape : Rectangular Bars
- Weight Per Piece : 1000 ± 100Grams
- Aluminium Content : 98 % Min
- Size : 300 x 50 x 35 mm (± 10 mm)

Ferro Titanium 35-75 %
